

DIGITAL EYES

BRANDING - SOCIAL MEDIA - PUBLIC RELATIONS

We create
**Digital
Experiences.**

www.digitaleyesindia.com

End to end digital,
branding & online
marketing solutions.

Branding and Design

We create brand designs which are impressive for a complete customer experience. Helping you to build the BIG IDEA positioning your brand in the market by creating the right values, look and feel for your esteemed brand.

Social Media Marketing

We develop a consistent messaging & visual strategy for your brand to foster deeper connections with your audience. Leading your brand with a stronger foundation we develop designs for awesome engagement.

Public Relations

We don't just get top-tier headlines, we build lasting brand narratives through the power of 5+ years of skilled storytelling to the audience. Every communication strategy we develop tracks back to business objectives as are marked up to your expectation.

**Branding,
Packaging
& Designing.**

A Range of 50+ Products

Khushi Foods is a mumbai based company manufacturer and wide range of dehydrated, instant premix. We designed pouch layout that stands unique on the display with a attractive colours. A simpler layout focusing the local market and thus created a design that is easy to understand by the consumer

THIS PROJECT WAS REALLY A

इतनी खुशी

MOMENT FOR ENTIRE TEAM

When it comes to sweets, India is at the top of the list with
1000+ varieties of sweets because of its diverse culture.

Misthaan Culture believes in offering the purest. Their Shrikhand are precisely made using an age-old recipe of the ancestors. We take pride in promising an experience like never before designing an awful layout that stand out from the rest giving a luxurious touch to their packaging.
